SHELVING

Simple, tap together, general purpose shelving.

Quickly and easily assembled, requiring only a rubber mallet, this range of products offers fast and economic solutions to everyday storage and production problems.

Available in a range of robust colourful finishes, or with pre-galvatite uprights and beams, these units are at home in any environment. With 18mm chipboard shelves and a wide range of depths and widths, the Just Range offers flexible and cost effective solutions.

Supplied as ready to build units, shelving bays are available with optional extra shelf levels for adaptability or can be designed to your specific needs.

Ask about our complete installation service and all of our other storage products.

*All loadings shown are for Uniformly Distributed Loads.
